[www.zebronics.com](http://www.zebronics.com)

Zebronics, founded in 1997 is India's largest IT Peripheral & Consumer Electronics brand with **25+ product categories** in its spectrum.

Stimulating trust through multiple offices and serving at **128 Zeb Care** (service centers) across India, Zebronics is a first choice brand in IT Peripherals and soon becoming a household name in Multimedia Speakers and Consumer electronics. The brand has a strong foothold with an enormous network channel partners.

Zebronics is widely popular for its **EQR Mantra** (excellence, quality, reliability) offering a product line symbolized for its value for money characteristics backed by great product design and performance. This has helped us in winning **94 major industry awards** from 2010 - 2020.

Zebronics believes in developing products that are great on **technology** and **design** yet easy on the pocket making it a **value for money** product that every household can afford. Apart from making a superior **quality** product, it has umpteen options to choose from an extensive range of offering in the line of IT & gaming peripherals, sound systems, mobile/lifestyle accessories and surveillance.

With a firm belief in the ideology of '**Always Ahead**' the brand has slowly evolved itself over the years with a diverse range of products. Zebronics is committed and working hard to deliver **innovative solutions**, building the framework for **sustainable growth**, going forward and staying "Always Ahead".
