About The Company

KENT RO Systems Limited is a 21st century healthcare products company with a vision to make the world a healthy and a happy place. Pioneers in bringing the revolutionary Reverse Osmosis (RO) technology to India, KENT started its operations from Noida, India in 1999.

Over the years, it has evolved as a market leader providing technologically advanced healthcare products ranging from Water Purifiers, Air Purifiers, Vegetable and Fruit Purifiers to Water Softeners. It has become synonymous with offering purity and is known for its robustness in technological performance and innovative designs enhancing quality of everyday living.

KENT is ISO 9001:2008 certified and has been at the forefront of innovation. It has grown to be a strong organization with offices across India and most importantly, millions of satisfied customers to its credit worldwide.

With a purpose to give good health to one and all, KENT is the best guardian of your family's health!
